

Meeting Space

Booked through Reception, our conference and meeting facilities will create the right professional environment in which to do business with your clients.

We have a choice of meeting spaces which range from small meeting rooms which can accommodate up to 4 people through to our larger space that can accommodate up to 35 people which would suit most needs from Board Meetings to First Aid training.

For more information please contact our team on Tel: 01592 860296.

Audio-visual equipment such as white boards and pens are included in the rental rate and additional items can be made available to suit your requirements.

Support items include:

- Internet connected computer complete with multi-function card reader.
- DVD/Video playback facilities.
- Overhead digital data projector.
- Superior quality surround sound system.

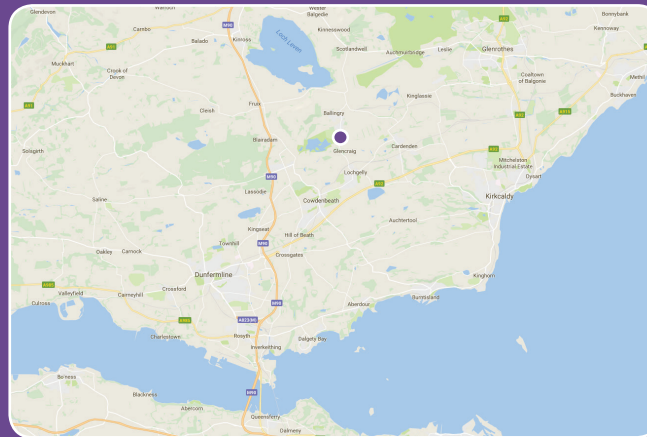

Location

The Enterprise Centre is well located with access to the M90 motorway within 5 miles and road networks to Perth to the north and to Edinburgh, Glasgow and the south via the Queensferry Crossing.

The City of Dunfermline and the major towns of Kirkcaldy & Glenrothes are within easy reach by both public and personal transport.

There is a nearby main line railway station and town centre located bus stations that give access to the surrounding centres of business including Edinburgh, Perth & Dundee.

Crosshill Business Centre, Main Street, Crosshill, Lochgelly, Fife KY5 8BJ

for current vacancy details.

Concerned about signing a long lease?

You can if you wish, but we also offer the option of short/medium term leases but also Licences to Occupy which gives less security than a lease, but greater flexibility for both tenant and landlord.

Worried About huge deposits?

No need, we only ask for 1 month rent up front.

Co-Working Space

Do you work from home but need the use of a desk for a short time? BRAG has co-working space available to provide a real working environment for individuals who need a space to work for a few hours or days.
